

Model 730 Premium Door

FEATURES

- Strong by Design**  
End and center stiles are constructed with galvanized steel, providing superior strength and resistance to rust corrosion.
- Protection from the Elements**  
Tongue and groove joint construction seals and aligns the sections providing a snug, weather-tight fit.
- Sturdy Tog-L-Loc™**  
This sturdy fastening system ensures leak-proof and rust-proof joints adding years to the life of the door.
- Keep the Outdoors Outside**  
The bulb-type vinyl bottom weather seal fits tight against the floor sealing out moisture, light, and energy leaks.
- Smooth Operation**  
Galvanized steel hinges and self-lubricating rollers are designed for long life and smooth, quiet operation.
- Beat the Hot and Cold**  
CFC-FREE laid-in-place foam insulation, bonded to a white vinyl interior is an optional feature with the Model 730 Door.

WalnutWood, Carriage Style Panel, with optional hinges and handles

**Model 730** Premium Door

**The Windsor Model 730** has 2" thick durable steel sections that are designed to provide years of dependable service. This door features an optional full thickness CFC-FREE laid-in-place foam insulation with a 6.0 R-Value. With three panel designs, eleven color choices, optional insulation, and many different decorative window selections, the Model 730 offers both beauty and value.

SteelWood Premium Finish

The SteelWood Collection combines the low-cost and durability of steel with a custom wood appearance. It has the proven quality of our Model 730 door in a low maintenance painted wood grain. Offered in three "wood grain" color options: CherryWood, OakWood, and WalnutWood.

White, Ranch Panel, with Stockbridge Ranch Inserts

Optional Insulation

Upgrade this door with insulation. CFC-FREE laid-in-place foam insulation is bonded to a white vinyl interior for added protection against outside temperatures.
